INTRODUCTION

The International Table Soccer Federation is a non-profit organization which is subject to the laws and regulations of the country on whose territory its registered office is located.

Its functioning is regulated by the present Statutes as well as by the Administrative Rules.

The Administrative Rules are meant to clarify the principles defined by the Statutes and to regulate the normal functioning of the administrative matters of the Federation.

The Statutes are approved and modified by vote of the ITSF General Assembly.

The Administrative Rules are approved by the Executive Committee. Between two meetings of the Executive Committee, the Board of the ITSF is authorized to suspend or modify the Administrative Rules in exceptional cases in response to circumstances requiring an urgent solution. These modifications will become the object of a detailed report submitted for the approval of the next Executive Committee meeting.

- 1.5.1 French and English are the official languages of the ITSF
- 1.5.2 French and English are the working languages of the ITSF
All the business of the ITSF must be conducted in at least one of these two languages.

- 1.5.4 All communications of the ITSF will be available in English.
- 1.5.5 At the General Assembly, people may speak in any of the working languages.
- 1.5.6 Federations who wish to communicate in a language other than one of the working languages may do so, but they must provide the necessary translations at their own expense.

- 1.5.7 At prize giving ceremonies of official ITSF competitions, announcements must be made in at least one of the two official languages and in the local language.

CHAPTER II – FINANCIAL RESOURCES

2.1.1 Financial resources of the ITSF consist of:

- a) Federations' subscriptions;
- b) Licences;
- c) Entry fees for the World Championships;
- d) Fees for the organization of competitions;
- e) Television rights;
- f) Such other resources as may be developed.

CHAPTER III – MEMBERS OF THE ITSF

The members of the ITSF consist of national Federations and Members of Honour.

3.1 NATIONAL FEDERATIONS

- 3.1.1 The ITSF recognizes only one sport authority for each country (the National Federation) to rule the table soccer sport. To define a ‘country’, the ITSF adopts the definition of the International Olympic Committee. However, ITSF can temporarily recognize more than 1 federation within one country under the terms established by the Administrative Rules.
- 3.1.2 The ITSF is composed of ‘national Federations’: Federations, Unions, Table soccer Sections, National Sports Organizations, etc.
- 3.1.3 Any national Federation which wishes to become a Member of the I.T.S.F. can present its application to the Executive Committee. In case of dispute between two or several groups, each desiring to represent their country as an ITSF member, the Executive Committee of the ITSF will be called upon to decide which to recognize after consulting (if it’s possible) the National Olympic Committee concerned.
- 3.1.4 At each of its meetings, the General Assembly rules on applications for membership.
The Executive Committee has the right to accept provisionally, until the next General Assembly, a national Federation which has applied.
When a national Federation is a provisional member it benefits from the same rights as any other Member Federation.
A refusal for permanent membership by the General Assembly later does not allow any grounds for compensation.
- 3.1.5 There are two categories of Member Federations of ITSF
- Associate members
 - Regular members
- Criteria for membership categories are defined in the Administrative Rules and voted by the Executive Committee
- 3.1.6 The Member Federations may lose their membership of the ITSF:
- By resignation;
 - By expulsion.

3.2 MEMBERS OF HONOUR

- 3.2.1 Besides the national Federations Members, the ITSF may also include Members of Honour.

The title of Member of Honour may be granted by the General Assembly to any person who, through a long and loyal service to international table soccer, has proved his or her constant commitment to the ITSF. This is granted as a mark of appreciation towards this person and also to secure for the ITSF, in all its activities, the enlightened advice of that person.

- 3.2.2 The individuals chosen as Members of Honour will receive directly from the Board of the ITSF an international licence for their whole lifetime.
- 3.2.3 Before each General Assembly, the Board may single out one or several persons with the intention of proposing their nomination as Members of Honour.
The Board must seek the approval of the Executive Committee before presenting its proposals to the General Assembly. Members of Honour are elected by secret ballot.
- 3.2.4 Members of Honour may lose their membership of ITSF :
- by resignation;
 - by expulsion.

3.3 RIGHTS AND DUTIES OF MEMBERS

- 3.3.1. Rights and duties of Member national Federations:
- a) The ITSF must not interfere with the internal functioning of its members.
 - b) The ITSF demands that each Member national Federation respect the principle of no discrimination for political, racial or religious reasons. Therefore, no competitor from a Member Federation may take part in official ITSF competitions or in other international competition if he or she refuses to meet any other competitor regularly registered unless his or her refusal is authorized by the present Statutes or the Administrative Rules. In case this rule is broken, the competitor shall be immediately disqualified and the Executive Committee shall study, if necessary, and to which extend, the possibility to request a penalty against the member national Federation to which the competitor belongs from the Discipline Commission.
 - c) The member national Federation which submits its application for organizing the General Assembly, official competitions and any other international event of ITSF must pledge its word of honour to make all the necessary efforts:
 - so that all members national Federations take part in these events without any discrimination whatsoever;

- so that the Executive Committee of the ITSF and all the member Federations are informed of any ban, suspension, radiation, disqualification or all other penalties given by a member Federation.
 - d) Each Member Federation is under an obligation to ensure on its territory respect for the rules of the ITSF when events are organized under its auspices
 - e) Furthermore, each Member Federation must ensure that its own statutes do not clash with the fundamental rules in the present Statutes.
 - f) Each Regular Member Federation has the right to vote in the General Assemblies of the ITSF.
 - g) Each Regular Member Federation has the right to present its candidates to the different bodies of the ITSF. They also have the right to draw up proposals which may be submitted to the General Assembly.
- 3.3.2. Rights and duties of Members of Honour
- a) The Members of Honour of the ITSF are present by right at the General Assemblies of the ITSF. If they are not delegated by their national Federation, they may draw up proposals but they only have a consultancy role.
 - b) They also have the right to be present at any of the Commission meetings of the ITSF, but in advisory capacity only.

3.4 ZONAL CONFEDERATIONS

- 3.4.1 The ITSF accepts that Member Federations group themselves according to geographic areas into 'Confederations' in order to control relationships which they think they can usefully establish among themselves..
- 3.4.2 These 'Zonal Confederations' may only include Member Federations. They are not themselves members of the ITSF
- 3.4.3 They may have no rules or statutes contrary to those of the ITSF. In the case of disagreement in the interpretation of Statutes or Rules of the ITSF and those of a Zonal Confederation, those of the ITSF have priority.
- 3.4.4 They may ask to be recognized by the first General Assembly that follows their creation after submission of their Statutes.
- 3.4.5 Zonal Confederations may choose whatever language they like as official language for their internal relations.

CHAPTER IV – LICENCES

4.1 LICENCES

4.1.1 Statutory Character of Licence

An international licence is granted by ITSF bearing the following: ‘The bearer promises not to engage in doping and to submit to all medical checks’.

4.1.2 Compulsory character of Licence

- a) This licence is compulsory for all players taking part in any official competition of the ITSF. No entry shall be valid if the name of the player is not accompanied by the number of his or her ITSF licence.
- b) This licence is also compulsory for the following persons:
 - Members of the Executive Committee and of the Commissions of the ITSF;
 - Officials designated to the World Championships;
 - Referees of the ITSF

4.1.3 Duration of validity

The licence is valid for the current Table soccer season.

4.1.4 Annual fee

Every application for a licence or licence renewal must be handed in with a fee which is set for the following season by each General Assembly.

4.1.5 Application and issue

- a) Every licence is supplied by the ITSF Board to those entitled who qualify through their Member national Federation. Each Member national Federation must note on the licence issued to players the name of any club to which they belong.
- b) When a player usually lives in another country than his own, he must apply for his licence to the Member Federation of the country in which he lives. It is strictly forbidden for a player to possess more than one international licence. The second licences applied for from another Member Federation may only be granted after the cancellation of the first licence.

- c) When a player is only visiting another country, he must apply for his licence to the Member Federation of his own country (or to the country where he resides usually, if he resides in a different country from the country of his nationality)
- d) The Board may grant an international licence to a player who lives in a country where there is no national Federation member of the ITSF. However, if there is a national Federation member of the ITSF in the country of the player's nationality, the Board of the ITSF must consult with this Member Federation before granting the licence.

4.1.6 Procedure for Issue

The procedure for delivery and control of licences are the responsibility of the Executive Committee and subject to the Administrative Rules.

4.1.7 Refusal from the Member Federation in charge of the issue

Should a Member Federation refuse to grant an international licence, it must inform the ITSF Board in order to prevent a player living in a foreign country from applying again through a different channel. If a player appeals against the decision of the Member Federation of his country refusing to grant him an international licence, the appeal may be sent to the ITSF Board for investigation and for a General Assembly decision. When the matter is urgent, the Executive Committee makes the decision provisionally, until a decision is reached by the General Assembly.

CHAPTER V – THE GENERAL ASSEMBLY

5.1 MEETINGS

- 5.1.1 The General Assemblies of the ITSF are held every year on a date decided by the ITSF Executive Committee.

5.2 ROLE OF THE GENERAL ASSEMBLY

The voting right of a Member Federation is limited to its President and the list of persons designated by him in writing.

5.4 DECISIONS

5.4.1 Required majority

The General Assembly's decisions are reached by a simple majority of votes cast.

If, in exceptional cases, a General Assembly must decide on matters which are not on the agenda and not provided for by the Statutes, the decisions can only be made by a majority of $\frac{3}{4}$ of votes effectively represented at that General Assembly, and may never involve a modification of the Statutes.

5.4.2 Quorum

The General Assembly can only reach valid decisions if more than half of all the members of the ITSF are present or represented (see the rules on proxies in the Administrative Rules). If this proportion is not reached, the General Assembly will take place 24 hours later, with those members who are present, without any quorum condition.

5.4.3 Secret vote

The vote is secret on any point concerning a person or a Member Federation in particular or if it is requested by a Member national Federation.

- 8.5.3 Commissions must admit to their meetings the authors (or their representatives) of the proposals submitted to the General Assembly and placed on the agenda by the Executive Committee of the ITSF. The attendance of the author or his representative is restricted to when the proposal is being discussed.
- 8.5.4 During the Commission meetings immediately preceding the Ordinary General Assembly, no new matters will be discussed other than those on the agenda and which have already been reported on by the Commissions at their previous meeting.
