COMPETITION FORMATS

TEAM WARM UP FORMAT

- 4 players make a team
- Each player will play between 2 and 4 times in Double ONLY
- A match is one game first to 21 points. 20/20 is a tie in qualification or penalty in elimination
- After 5 balls are played (5-0 - 4-1 or 3-2), a new double enters the game until the end of the match
- No time out during a match
- For each match, players are registered in order A, B, C and D. Doubles are then playing in this order: AB - CD - AC - BD (and repeat in this order)
- Team registration directly on [FAST](#) Scoresheet is available [HERE](#)

SWISS SYSTEM FORMAT

The qualifications competitions will be played under the Swiss system :

- Team Warm Up (See format above)
- Open Doubles, Women, Junior and Senior
- Open Singles, Women, Junior and Senior

QUALIFICATION FORMAT

The first round is drawn at random but includes seeded players as the following :

- 50 % of teams will be protected in the first round according ITSF ranking.
- Top 12 Men and Top 4 Women, junior and Senior will be protected in the second round according to ITSF rules.

For the following round, the software draws the first of the ranking against the next in the ranking who wasn't an opponent until then. (Example: 1 vs 2, 3 vs 4 and so on; if 1 vs 2 played already 1 vs 3, 2 vs 4, 5 vs 6 and so on).

At the qualification time limit, we will just finish the round to be sure all players have played the same number of matches. Number of matches played will depend on tournament progression and player performance.

We only need the winner to give his name (NOT the score) or both teams can announce a tie.

Qualification match format is one game to 8 (7:7 draw)

Ranking will be based on teams points then total points of your opponent following by total points of the opponent of your opponent. B1 stands for points of my opponent and B2 stands for points of the opponent of your opponent. If there is still a tie, we'll see the best opponent ranking that you played against.

ÉLIMINATION FORMAT

100% of players will be qualified in different divisions. 60% in Pro and 40% in semi-Pro. The members of the highest division (Pro) play for the championship of the event, the following division (semi-Pro) plays for the ranking.

Groups ranking will be gathered and will determine the final ITSF ranking.

Elimination match format is SKO 3/5. First to 5 per game (2 points difference up to 8 maximum on the latest game)
