FOR SCHOOLS itsf Fund

let's all enjoy table soccer

A WORLDWIDE AND SUSTAINABLE PROJECT

Launched by the International Table Soccer Federation (ITSF), the 100 Foosball Tables for Schools project aims to provide schools with free foosball tables. Its objective is to develop the practice of the sport among young people.

A SPORT ACCESSIBLE TO ALL

The ITSF strives to make table soccer accessible to all by promoting tables which are accessible to people of all ages and abilities.

THE EDUCATIONAL VALUES OF TABLE SOCCER

- **Properly established** : with robust rules and excellent equipment, respecting partners, opponents and referees.
- **Focussing to progress** : using fine-motor skills and exercising self-control
- **Analysing and adapting** : using the right strategies, optimising strengths and exploiting weaknesses
- **Learning to share and socialise** : enjoying fair play and respecting diversity
- **Having fun to building confidence** : learning to succeed by valuing oneself and one's partner
