

2015 ITSF Table Soccer World Cup is now ON

Wednesday, April 8th,

What a great start for the 8th edition of the ITSF World Cup. Today was Warm up day - with 2 competitions open to all players. More than 230 teams played open doubles and the official Italian table soccer style called Speedball. Competition will continue tomorrow on Thursday 9 and Friday 10 with the World Championships single and double categories. Finally, The World Cup - National teams events – will start on Friday 10 until Sunday 12.

The complete schedule and matches programme is available [HERE](#).

More than 3500 matches will take place over the 5 days competition with an exceptional participation of more than 600 players coming from 33 countries. The ITSF World cup is also a free entry event so everyone will be able to enjoy and watch the best foosball players of the world during all 5 days competition.

The ITSF is the world governing body of table soccer. It conducts the administering and regulation of the game through its affiliated national associations/federations. The ITSF is responsible for the Rules of table soccer, as well as the technical specifications for tables. It also participates in the running and enforcement of an anti-doping program. The ITSF sanctions 80+ major international table soccer events for all age groups and for disabled people, including 5 annual World Championships Series events on the 5 ITSF official styles of tables, Continental cups and World Cup & World championships. www.tablesoccer.org
