## OPEN DOUBLES

### Qualification phase (Swiss system):

Start at 12:00 PM on Saturday.

The first round is drawn at random but includes seeded players as the following:

- 50 % of teams will be protected in the 1st round according to FFFT ranking
- 25% of teams will be protected in the 2nd round according to FFFT ranking.

For the following rounds, the software draws the first of the ranking against the next in the ranking who wasn't an opponent until then.

The number of rounds will be determined on the day of the tournament, regarding the number of registered teams (minimum : 5 rounds – maximum : 8 rounds).

The winner will announce his/her victory at the tournament desk (no score required) or both teams in case of tie.

Ranking will be based on teams points then total points of your opponent following by total points of the opponent of your opponent. B1 stand for points of my opponent and B2 stand for points of the opponent of your opponent. If there is still a tie, we'll see the best opponent ranking that you played against.

### Elimination phase:

100% players will be qualified into 2 divisions:

- Division "Pro": the first 60% of qualification ranking
- Division "Semi-Pro": the following 40% of qualification ranking

Players in Pro division will play for the win of the tournament; the other players (Semi-Pro) will play for the ranking.

Elimination match format is SKO 3/5. First to 5 per game (2 points difference up to 8 maximum on the last game).
