

➤ ACCOMMODATION

ITSF and Roberto Sport are pleased to present you Lignano Sabbiadoro village for the European Champions League.

LIGNANO SABBIAADORO

Lignano Sabbiadoro Is located in the far north-east of Italy, very close to the Austrian, Croatian and Slovenian borders. It is a famous tourist destination, well known for its great hospitality, numerous facilities and entertainment possibilities.

The Ge.Tur Holiday Village is set in 60 hectares of pine woods and green areas and a long strip of a beautiful sea. The village consists of several residences and accommodation facilities that fulfill different needs with a the possibility to host up to 2800 people. What makes the village so special is the several sports facilities available varying from indoor and outdoor swimming pools, tennis courts, basketball and volleyball fields, and a big multi-functional sport hall that will host the WCS and the European Champion League events.

➤ ALLE VELE RESIDENCE

The Residence is the ideal location for sporting events due to its proximity to the Sports Hall and the numerous rooms of the first floor. It is devoid of any kind of architectural barrier, both within the rooms for usability of services. The access path to the beach is very short and safe as it intersects with the roads travelled by vehicles. The use of the beach itself is facilitated by runways for heliotherapy for bathing. Most of the rooms have a wonderful view on the pinewood and the sea with large terraces. The restaurant downstairs provides table service and self-service. Outside the hotel there is also an outdoor pool.
