▶ MATCH FORMAT

A match is a race to 40 points with a chain of four 10 goal steps (called elements). In the case where teams reach a score of 39-39 in **qualifications** there is a draw. In **eliminations** the match continues until a 2 point difference is reached.

These 4 elements are played: **by 6 different players.**

How to play:

- 180 seconds between the elements to prepare the tables and to practice.
- 2 time-outs of 45 seconds per element that cannot be saved for a following element.
- 1 ball is played on the 1st table, then players play 2 balls alternately on each table until the end of the match (Tie Break format)

Substitutions:

The team captain may make one substitution per match, which costs **one time out**

- S1 can be substituted once one formation has reached 5 points
- One or both players from D1 can be substituted once one formation has reached 15 points
- S2 can be substituted once one formation has reached 25 points
- One or both players from D2 can be substituted once one formation has reached 35 points

Coin-flips:

Two coin-flips shall precede the start of the match.

The team that wins the 1st flip has the choice of the side of the tables for all elements of that team.

The team that wins the second flip has the choice of the table to start on or get the 1st serve. The team that loses the second flip has the remaining option

▶ DRESS CODE

A sport dress (top and bottom) is required of all players.

The name of the club must be clearly displayed on the players' shirts; players can also add their names and country's flag on their shirts and sport dress, if they wish.

Players must wear their player's shirt during ceremonies and matches;

Partners in teams must wear the same shirts.

Read the complete [dress code rules](#) on ITSF website.

Players who do not abide by these rules will not be allowed to compete
