

İstanbul Foosball Championship 2019

Ladies, Gentlemen and all the world to participate in our tournament,

We are proud to declare that we organized the magnificent ITSF Pro Tour Championship on 23-24 February 2019 in İstanbul. Also, this tournament has the feature of being the first in the training center where our new tables (Leonhart, Fireball and Local Tables) are located.

In addition, you can have an amazing weekend on this historic peninsula and you can tour the wonderful İstanbul Bosphorus with a boat. But we are sure, you will not find the opportunity due to this splendid organization.

Moreover the tournament center is located at a maximum of 30 minutes by car from almost all the centers of İstanbul. (Taksim/Beşiktaş/Bakırköy/Şişli). (Unfortunately there may be traffic).

Besides, if you can reserve a few more days, you may have the opportunity to know İstanbul better. We will be glad to guide you. Furthermore you have the chance to stay at the location of the tournament area. We will be honored to support you in this regard.

The Istanbul Foosball Championship is an official ITSF tournament and it is part of the Pro Tour category. This big tournament will take place on 23-24 February 2019 in our training center (Otağ Cafe) located in Gaziosmanpaşa, Istanbul. Food and drink including hookahs are available in the tournament area. At the end of this special week you will benefit from all the services at the best prices.
